Dear Hummingbird Families,

I hope you have been enjoying your summer! School will be starting soon and I would like to help you feel ready.

I have included our class supply WISH list at the end of this note. Throughout the year, (especially at the beginning and end) I am requesting each of my families send in 1 box of Kleenex, 1 scotch tape, 2 large sized glue sticks, 1 box of crayons, 1 box of band aids and 1 package of white copy paper and/ or a package of colored cardstock paper. Thanks so much and please do what you can! ☺

Before the school year ended Linda Toll, our other Kindergarten teacher, and I started planning together. We are always excited to partner together as a teaching team! We blend our classes together for field studies, our school play and other great activities.

Have a great summer! I can't wait to be together with all of you!

Love,

Miss Holly LaChappell holly.lachappell@ncsota.org

Questions? Please call or text my cell phone 530-559-6379
