

Nevada City School of the Arts Discipline, Suspension and Expulsion Policy and Procedures

The Nevada City School of the Arts (“NCSA” or “Charter School”) Board of Directors (“Board”) and the community at NCSA believes that it is important to treat each person with respect. We try to make sure we are considerate of each other so that everyone can fulfill their roles. Students can learn, teachers can teach, and staff can work in a safe and enjoyable environment.

Teachers will help students learn to do their part with instruction in ways to solve problems with conflict resolution. Classes will meet together regularly to explore ways to keep things comfortable for everyone. We want students to develop the confidence and skills they need to stand up for themselves. As such, the NCSA Board has adopted the following discipline rules and expectations that we ask all NCSA students to follow:

Expectations

Students are expected to:

- Come to class on time
- Speak with polite language and without profanity
- Treat each person with respect and without teasing or put-downs
- Remain within bounds and within sight of adult supervision
- Use the restrooms appropriately
- Walk quietly in the halls and on the sidewalk
- Play without physically aggressive behavior (such as play-fighting or wrestling)
- Take care of their own trash and recycling
- Eat only at the designated eating areas or in classrooms
- Follow the dress code
- Refrain from chewing gum
- Comply with all NCSA rules and policies

Discipline Policy and Process

Part of our job as educators is to teach students to be responsible, to be respectful, to be safe and to be kind to others. However, there are times when a student may have a lapse in judgment and make a poor choice. We have defined these types of infractions and broken them into three categories below. In addition, the consequences for the poor choices are detailed below each category.

Minor Infractions

- chewing gum
- talking in class when inappropriate
- running in halls
- forgetting materials/homework
- distracting students
- out of supervision - within school building
- minor swearing - not directed at an individual

Consequences

These types of behaviors simply warrant a written reminder, a.k.a., a “You’ve Been Noticed” (Y.B.N.) form. **If a student receives three (3) of these forms within the semester** the student will meet with the School Director first, to review behavior expectations and then, for restitution if additional YBNs are received by the student. The purpose of assigning restitution to a student for multiple YBNs is for the student to make up for the time and effort lost by those who are reminding the student of these rules and for the student to make up for their failure to comply with these rules.

Moderate Infractions

- 3 or more referrals for the same behavior within the same semester
- littering, (5 regular occurrences)
- gossiping with intent to harm
- vulgar language directed at an individual
- disrespect toward any adult on campus
- roughhousing/minor physical altercation
- significantly disrupting the learning process (*the teacher should have tried other interventions first*).
- Out of supervision - outside building (this may result in a suspension if it is a significant safety issue).

Consequences

Often times these moderate behaviors will be handled by the classroom teacher who will choose the consequence appropriate to each child. However, teachers may choose to refer a student to the **School Director** if the teacher feels the student’s behavior warrants more counseling or the student has repeated the offense several times.

If a student is continually referred to the School Director and does not appear to be willing to change his/her behaviors, he or she may be suspended, in compliance with the suspension policy below, and a **Behavior and/or Academic Contract** will be created through the Student Success Team (SST) process.

Bottom Line Behaviors

- causing/attempting to cause physical harm - intentional or unintentional (depends on circumstances)
- vicious gossip/bullying/cyber-bullying
- verbally/physically disrupting school activities or direct defiance of an adult
- drug use/possession
- weapon on campus
- theft
- harassment/sexual harassment

Consequences

Depending on the circumstances, these behaviors may result in an immediate suspension/removal from the classroom or expulsion from school in compliance with the suspension and expulsion policy set forth below. Depending upon the circumstances, there may be times when the School Director determines that a suspension is warranted, or times when the suspension should be followed by restitution so that the student has a chance to redeem himself/herself, in accordance with NCSA policy. Parents may meet with the School Director if they disagree with the consequences, but they must also understand the ultimate decision lies with the

School Director. Parents may wish to submit a formal complaint. If so, please refer to our “Complaint Policy”.

Restitution

Purpose:

To develop/teach a personal sense of responsibility in students within our school community and in life. The student must take responsibility to figure out an appropriate recompense for his/her poor choices. The emphasis is on compensating the victim for harm done. The message a student should learn is “Students can make it right by fixing it or giving back.” This fosters self-responsibility and self-esteem.

The Essential Characteristics of Restitution

- It is tied to a higher value or mission
- It strengthens the person who has offended
- It is a satisfactory amend to the person harmed (victim)
- Effort is required from the offender
- Little incentive to repeat the offense
- No resentment, guilt, criticism, anger by the adult helper or victim*

Given the age or circumstance surrounding the offense, accepting the restitution may be difficult for the victim - this will be modeled and taught, but may require time.

How Restitution Works

A student is referred for restitution by his/her teacher or by receiving multiple (more than 3) YBN’s for the same offense.

Restitution is generally facilitated by the School Director but can be facilitated by a small group made up of a teacher, staff and the School Director. Restitution meetings will be held as needed for the entire year in order to meet with students who are in need of completing restitution.

Upon arrival to restitution, the School Director or teacher explains to the student that this process is designed to help them not to scare them or to make them feel guilty. They are told that the end result will not be a punishment, but that they will be the one who creates the restitution on their own.

The following questions are examples of the questions asked of the student:

- Describe what you did to get referred to the Restitution Committee.
- How did your actions help others? Help the person harmed? Help our community?
- How did your actions interfere with _____’s right to respect, safety (emotional/physical), or their right to be treated with kindness?
- Why does that person have the right to be respected, to be safe and to be treated with kindness?
- Would you like the chance to fix this situation or make it better?
- What can you do for the person(s) hurt?*
- How will you know this worked?

If the reason for restitution is for multiple YBNs, the School Director will assign restitution. Otherwise, students are given general examples of how they can fix the mistake or offer restitution to the person who was harmed:

- Fix it (if something was broken)
- Pay back - (give back what was taken/broken/harmed)
- Say two positives about the person harmed (only if sincere)
- Give your time or handmade gift to the person

The parents should NOT think of the restitution for the students, nor should they complete it for the student or give the money to pay it back. The effectiveness of this process relies on the student expending thought and effort on the restitution. If the parents undermine this process it will be entirely ineffectual.

The student returns the next day with their idea of restitution. They meet with the teacher or School Director and explain their idea. The teacher/School Director helps facilitate the restitution, by bringing the victim and offender together. The teacher/School Director works with the victim by preparing them for acceptance and/or forgiveness.

Suspension and Expulsion Procedures

The Nevada City School of the Arts Board of Directors has adopted this Pupil Suspension and Expulsion Policy in order to promote learning and protect the safety and well-being of all students at Nevada City School of the Arts. In creating this policy, NCSA has reviewed Education Code Section 48900 *et seq.*, which describes the noncharter schools' list of offenses and procedures to establish its list of offenses and procedures for suspensions and expulsions. The language that follows closely mirrors the language of Education Code Section 48900 *et seq.* NCSA is committed to annual review of policies and procedures surrounding suspensions and expulsions and, as necessary, modification of the lists of offenses for which students are subject to suspension or expulsion

When the policy is violated, it may be necessary to suspend or expel a student from regular classroom instruction. This policy shall serve as NCSA's policy and procedures for student suspension and expulsion and it may be amended from time to time without the need to amend the charter so long as the amendments comport with legal requirements. NCSA staff shall enforce disciplinary rules and procedures fairly and consistently among all students. This Policy and its Procedures will be provided to parents via the school's website and available upon request at the NCSA office and will clearly describe discipline expectations.

This policy and procedures process has been prepared to provide due process to all students. Adherence to the list of offenses and procedures provide adequate safety for students, staff, and visitors to the school and serves the best interests of the school's pupils and their parents/guardians.

The Charter School administration shall ensure that students and their parents/guardians are notified in writing upon enrollment that all discipline policies and procedures are posted on the Nevada City School of the Arts website and are available in hard copy upon request at the Nevada City School of the Arts office.

Each disciplinary case will be reviewed on a case-by-case basis. Staff shall enforce disciplinary rules and procedures fairly and consistently among all students.

Discipline includes but is not limited to advising and counseling students, conferring with parents/guardians, use of alternative educational environments, suspension and expulsion. Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of the Policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to school property.

A student identified as an individual with disabilities or for whom the Charter School has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities Education Improvement Act of 2004 ("IDEA") or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 ("Section 504") is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to regular education students except when federal and state law mandates additional or different procedures. The Charter School will follow all applicable federal and state laws when imposing any form of discipline on a student identified as an individual with disabilities or for whom the Charter School has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such students.

No student shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five (5) schooldays before the effective date of the action. The written notice shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder, and shall inform him or her of the right to initiate the procedures specified below for suspensions, before the effective date of the action. If the student's parent, guardian, or educational rights holder initiates the procedures specified below for suspensions, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the suspension and expulsion procedures described below.

C. Suspension Procedure

Suspensions shall be initiated according to the following procedures:

1. Conference

Suspension shall be preceded, if possible, by a conference conducted by the School Director or the School Director's designee with the student and his or her parent and, whenever practical, the teacher, supervisor or school employee who referred the student to the School Director. The conference may be omitted if the School Director or designee determines that an emergency situation exists. An "emergency situation" involves a clear and present danger to the lives, safety or health of students or school personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of a conference.

At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to present his or her version and evidence in his or her defense, in accordance with Education Code Section 47605(b)(5)(j)(i).

This conference shall be held within two (2) school days, unless the pupil waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization.

No penalties may be imposed on a pupil for failure of the pupil's parent or guardian to attend a conference with school officials. Reinstatement of the suspended pupil shall not be contingent upon attendance by the pupil's parent or guardian at the conference.

2. Notice to Parents/Guardians

At the time of suspension, the School Director or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense committed by the student. In addition, the notice may also state the date and time when the student may return to school. If school officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

3. Suspension Time Limits/Recommendation for Expulsion

Suspensions, when not including a recommendation for expulsion, shall not exceed five (10) consecutive school days per suspension.

Upon a recommendation of Expulsion by the School Director or School Director's designee, the pupil and the pupil's parent/guardian or representative will be invited to a conference to determine if the suspension for the pupil should be extended pending an expulsion hearing. In such instances when the Charter School has determined a suspension period shall be extended, such extension shall be made only after a conference is held with the pupil or the pupil's parents, unless the pupil and the pupil's parents fail to attend the conference.

This determination will be made by the School Director or designee upon either of the following determinations: 1) the pupil's presence will be disruptive to the education process; or 2) the pupil poses a threat or danger to others. Upon either determination, the pupil's suspension will be extended pending the results of an expulsion hearing.

2. **Non -Discretionary Expellable Offenses:** Students must be expelled for any of the following acts when it is determined pursuant to the procedures below that the pupil:

a) Possessed, sold, or otherwise furnished any firearm, knife, explosive, or other dangerous object unless, in the case of possession of any object of this type, the students had obtained written permission to possess the item from a certificated school employee, with the School Director or designee's concurrence.

If it is determined by the Governing Board and/or the Administrative Panel that a student has brought a fire arm or destructive device, as defined in Section 921 of Title 18 of the United States Code, on to campus or to have possessed a firearm or dangerous device on campus, the student shall be expelled for one year, pursuant to the Federal Gun Free Schools Act of 1994. In such instances, the pupil shall be provided due process rights of notice and a hearing as required in this policy.

The term "firearm" means (A) any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; (B) the frame or receiver of any such weapon; (C) any firearm muffler or firearm silencer; or (D) any destructive device. Such term does not include an antique firearm.

The term "destructive device" means (A) any explosive, incendiary, or poison gas, including but not limited to: (i) bomb, (ii) grenade, (iii) rocket having a propellant charge of more than four ounces, (iv) missile having an explosive or incendiary charge of more than one-quarter ounce, (v) mine, or (vi) device similar to any of the devices described in the preceding clauses.

E. Authority to Expel

As required by Education Code Section 47605(b)(5)(J)(ii), students recommended for expulsion are entitled to a hearing adjudicated by a neutral officer to determine whether the student should be expelled. The procedures herein provide for such a hearing and the notice of said hearing, as required by law.

A student may be expelled either by the neutral and impartial Board following a hearing before it or by the Board upon the recommendation of a neutral and impartial Administrative Panel to be assigned by the Board as needed. The Administrative Panel shall consist of at least three (3) members who are certificated and neither a teacher of the pupil nor a Board member of the School's governing board. Each entity shall be presided over by a designated neutral hearing chairperson. The Administrative Panel may recommend expulsion of any student found to have committed an expellable offense, and the Board of Directors shall make the final determination.

F. Expulsion Procedures

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. Unless postponed for good cause, the hearing shall be held within thirty (30) school days after the School Director or designee determines that the Pupil has committed an expellable offense.

In the event an Administrative Panel hears the case, it will make a recommendation to the Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all pupil confidentially rules under FERPA) unless the pupil makes a written request for a public hearing in open session, three (3) days prior to the date of the scheduled hearing.

Written notice of the hearing shall be forwarded to the student and the student's parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the pupil. The notice shall include:

1. The date and place of the expulsion hearing;
2. A statement of the specific facts, charges and offenses upon which the proposed expulsion is based;
3. A copy of the Charter School's disciplinary rules which relate to the alleged violation;
4. Notification of the student's or parent/guardian's obligation to provide information about the student's status at the school to any other school district or school to which the student seeks enrollment;
5. The opportunity for the student and/or the student's parent/guardian to appear in person or to employ and be represented by counsel or a non- attorney advisor;
6. The right to inspect and obtain copies of all documents to be used at the hearing;
7. The opportunity to confront and question all witnesses who testify at the hearing;
8. The opportunity to question all evidence presented and to present oral and documentary

evidence on the student's behalf including witnesses.

G. Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

The Charter School may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations which shall be examined only by the Charter School, Administrative Panel Chair or the hearing officer in the expulsion. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the pupil.

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to: (a) receive five days' notice of his/her scheduled testimony; (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel; and (c) elect to have the hearing closed while testifying.
2. The Charter School must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.
3. At the discretion of the person or panel conducting the hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room.
4. The entity conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
5. The entity conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.
6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the entity presiding over the hearing from removing a support person whom the presiding person (presiding official/officer) finds is disrupting the hearing. The entity conducting the hearing may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.
7. If one or both of the support persons is also a witness, the Charter School must present evidence that the witness' presence is both desired by the witness and will be helpful to the School. The entity presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official/officer shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding official/officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.
8. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.

9. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in the public at the request of the pupil being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.
10. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the entity conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstance can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

H. Special Procedures for the Consideration of Suspension and Expulsion of Students with Disabilities

The following procedures shall be followed when a student with a disability is considered for suspension or expulsion. These procedures will be updated if there is a change in the law.

1. Notification of SELPA

The Charter School shall immediately notify the SELPA and coordinate the procedures in this policy with the SELPA the discipline of any student with a disability or student who the Charter School or SELPA would be deemed to have knowledge that the student had a disability.

2. Services During Suspension

Students suspended for more than ten (10) school days in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting (which could constitute a change of placement and the student's IEP would reflect this change), and to progress toward meeting the goals set out in the child's IEP/504 Plan; and receive, as appropriate, a functional behavioral assessment and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting.

3. Procedural Safeguards/Manifestation Determination

Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a child with a disability because of a violation of a code of student conduct, the Charter School, the parent, and relevant members of the IEP/504 Team shall review all relevant information in the student's file, including the child's IEP/504 Plan, any teacher observations, and any relevant information provided by the parents to determine:

- (1) If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or
- (2) If the conduct in question was the direct result of the local educational agency's failure to implement the IEP/504 Plan.

If the Charter School, the parent, and relevant members of the IEP/504 Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.

If the Charter School, the parent, and relevant members of the IEP/504 Team make the determination that the conduct was a manifestation of the child's disability, the IEP/504 Team shall:

- (1) Conduct a functional behavioral assessment and implement a behavioral intervention plan for such child, provided that the Charter School had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;
- (2) If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and
- (3) Return the child to the placement from which the child was removed, unless the parent and the Charter School agree to a change of placement as part of the modification of the behavioral intervention plan.

If the Charter School, the parent, and relevant members of the IEP/504 team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a direct result of the failure to implement the IEP/504 Plan, then the Charter School may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

4. Due Process Appeals

The parent of a child with a disability who disagrees with any decision regarding placement, or the manifestation determination, or the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, may request an expedited administrative hearing through the Special Education Unit of the Office of Administrative Hearings or by utilizing the dispute provisions of the Section 504 Policy and Procedures.

When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent or the Charter School, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer in accordance with state and federal law, including 20 U.S.C. Section 1415(k), until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, unless the parent and the Charter School agree otherwise.

In accordance with 20 U.S.C. Section 1415(k)(3), if a parent/guardian disagrees with any decision regarding placement, or the manifestation determination, or if the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, the parent/guardian or Charter School may request a hearing.

In such an appeal, a hearing officer may: (1) return a child with a disability to the placement from which the child was removed; or (2) order a change in placement of a child with a disability to an appropriate interim alternative educational setting for not more than 45 school days if the hearing officer determines that maintaining the current placement of such child is substantially likely to result in injury to the child or to others.

5. Special Circumstances

Charter School personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The School Director or designee may remove a student to an interim alternative educational setting for not more than forty-five (45) school days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

- (1) Carries or possesses a weapon, as defined in 18 U.S.C. Section 930, to or at school, on school premises, or to or at a school function;
- (2) Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or
- (3) Has inflicted serious bodily injury, as defined by 20 U.S.C. Section 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

6. Interim Alternative Educational Setting

The student's interim alternative educational setting shall be determined by the student's IEP/504 team.

7. Procedures for students not yet eligible for special education services

A student who has not been identified as an individual with disabilities pursuant to IDEA and who has violated the Charter School's disciplinary procedures may assert the procedural safeguards granted under this administrative regulation only if the Charter School had knowledge that the student was disabled before the behavior occurred.

The Charter School shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

- (1) The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to Charter School supervisory or administrative personnel, or to one of the child's teachers, that the student is in need of special education or related services.

(2) The parent has requested an evaluation of the child.

(3) The child's teacher, or other Charter School personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the director of special education or to other Charter School supervisory personnel.

If the Charter School knew or should have known the student had a disability under any of the three (3) circumstances described above, the student may assert any of the protections available to IDEA-eligible children with disabilities, including the right to stay-put.

If the Charter School had no basis for knowledge of the student's disability, it shall proceed with the proposed discipline. The Charter School shall conduct an expedited evaluation if requested by the parents; however the student shall remain in the education placement determined by the Charter School pending the results of the evaluation.

The Charter School shall not be deemed to have knowledge of that the student had a disability if the parent has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.

I. Record of Hearing

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

J. Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the student committed an expellable offense.

Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay. Sworn declarations may be admitted as testimony from witnesses of whom the Board or Administrative Panel determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the expelled pupil, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Board who will make a final determination regarding the expulsion. The final decision by the Board shall be made within ten (10) school days following the conclusion of the hearing. The Decision of the Board is final.

If the Administrative Panel or Board decides not to recommend expulsion, the pupil shall immediately be returned to his/her educational program.

K. Written Notice to Expel

The School Director or designee following a decision of the Board to expel shall send written notice of the decision to expel, including the Board's adopted findings of fact, to the student or parent/guardian. This notice shall also include the following:

- (1) Notice of the specific offense committed by the student
- (2) Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the Charter School.

The School Director or designee shall send a copy of the written notice of the decision to expel to the County.

This notice shall include the following:

- a) The student's name
- b) The specific expellable offense committed by the student

L. Right to Appeal

A student expelled from Nevada City School of the Arts can appeal the decision of the Nevada City School of the Arts Board to the Nevada County School Board. The Nevada County School Board will ensure that Nevada City School of the Arts followed all due process requirements.

M. Disciplinary Records

The Charter School shall maintain records of all student suspensions and expulsions at the Charter School. Such records shall be made available to the County upon request.

N. Expelled Pupils/Alternative Education

Parents/guardians of pupils who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within the County or their school district of residence. The Charter School shall work cooperatively with parents/guardians as requested by parents/guardians or by the school district of residence to assist with locating alternative placements during expulsion.

O. Rehabilitation Plans

Students who are expelled from the Charter School shall be given a rehabilitation plan upon expulsion as developed by the Board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one (1) year from the date of expulsion when the pupil may reapply to the Charter School for readmission.

P. Readmission

The decision to re-admit a pupil or to admit a previously expelled pupil from another school district or charter school shall be the sole discretion of the School Director following a meeting

with the pupil and parent/guardian or representative to determine whether the pupil has successfully completed the rehabilitation plan and to determine whether the pupil poses a threat to others or will be disruptive to the school environment. If the School Director determines that it is not in the best interest to admit the pupil, the pupil may appeal the School Director's decision at the next Board meeting in closed session. The Board shall then make a final decision regarding readmission during the closed session of a public meeting, reporting out any action taken during closed session consistent with the requirements of the Brown Act. The pupil's readmission is also contingent upon the Charter School's capacity at the time the student seeks readmission.
